

BHAKTIVEDANTA INTERNATIONAL GURUKUL

An Ideal Institution for Future Generations

Education for Knowledge, Character, Devotion & Service

“GURUKULA means we should ALWAYS know that ALL the STUDENTS, they should be EDUCATED in such a way that they BECOME good CITIZENS, good DEVOTEES, and they know the VALUES of life.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

OUR VISION

“The GURUKULA program has my full approval and I am REQUESTING you to DEVELOP it to the PERFECTIONAL stage.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

Bhaktivedanta International Gurukul is being established with the sacred vision of His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda—to create an ideal educational institution where children are trained not merely for academic success, but for a life of knowledge, character, responsibility, devotion and service.

Our humble endeavour is to continue this vision by developing an educational environment where modern education and timeless Vedic values work together for the welfare of the child and society.

WHY GURUKULA EDUCATION

“I consider that this GURUKULA is one of our MOST IMPORTANT Projects, because People in general are only SUFFERING due to POOR fund of KNOWLEDGE.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

Modern education often prepares a child for a profession. Gurukula education prepares a child for life. A child should learn not only how to earn, but also how to live, how to think, how to serve, how to respect and how to become responsible.

Therefore, our educational approach seeks to develop knowledge with character, intelligence with wisdom and achievement with responsibility.

OUR AIM — VIDVĀN, BHAKTIMĀN & JÑĀNAVĀN

“Our MISSION is para-upakāra, Caitanya Mahāprabhu's MISSION. This is very GOOD opportunity to TRAIN up from the VERY beginning to CREATE Vidvan, Bhaktiman, Jñānavān.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

The mission of Bhaktivedanta International Gurukul is inspired by the mission of Śrī Caitanya Mahāprabhu—para-upakāra, working for the welfare of others.

- VIDVĀN — Knowledgeable, thoughtful and capable of understanding the deeper purpose of education.
- BHAKTIMĀN — Devoted, humble, compassionate and service-minded.
- JÑĀNAVĀN — Wise, discerning and able to apply knowledge responsibly in practical life.

Our goal is not simply to produce degree holders, but responsible human beings who can contribute positively to their families, communities and society.

CHARACTER — THE HEART OF EDUCATION

“PRESENTLY there is a CLASS of MEN, Hiranyakasipu. They do NOT like to SEE their SONS become Pahlada. And our IDEAL is to CREATE Pahlada.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

At Bhaktivedanta International Gurukul, character formation is at the heart of education. Students will be encouraged to cultivate truthfulness, cleanliness, discipline, compassion, self-control, respect, humility, responsibility and a spirit of service.

Our aspiration is to create an educational atmosphere where children are encouraged to develop the qualities exemplified by Prahāda Mahārāja—fearlessness, devotion, compassion, humility and commitment to truth.

Our Ideal: From Childhood to Character

We believe that values learned in childhood become the foundation of adult life.

TRAINING ACCORDING TO NATURAL ABILITIES

“Some DEPARTMENT is suitable for the BOYS, some DEPARTMENT are suitable for the GIRLS. In this WAY they should be TRAINED up. But everyone should be TRAINED up to give service. That is GURUKULA.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

Every child is unique. Gurukula education should recognize the child's natural aptitude, qualities and abilities, and provide suitable training so that the child can develop those abilities in a meaningful way.

At Bhaktivedanta International Gurukul, students will receive opportunities for academic, practical, cultural, spiritual, agricultural, creative and service-oriented education, according to their age, aptitude and ability.

Discover Your Ability • Develop Your Character • Dedicate Your Talent to Service

EDUCATION FOR BOYS & GIRLS

“At GURUKULA the GIRLS should be taught, especially, how to become CHASTE and, of course, an expert in COOKING. Then, SHE will NEVER be neglected by her HUSBAND. Her life becomes very HAPPY. SHE can TEACH, SHE can PREACH.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

We aspire to provide a safe, respectful and value-based educational environment for both boys and girls. Srila Prabhupāda also spoke about the importance of training girls in practical life skills, character and responsibility.

In applying this principle today, our aim is to provide girls with character education, practical life skills, cultural knowledge, academic excellence and opportunities to teach, lead and serve, while respecting their dignity and individual talents.

THE ROLE OF PARENTS

“It is the RESPONSIBILITY of the PARENTS to maintain GURUKULA.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

Gurukula education cannot be separated from the family. The cooperation of parents is essential for creating an atmosphere in which the child's education continues beyond the classroom.

Therefore, we invite parents to become partners in education, working together with teachers and mentors to guide their children toward responsible, meaningful and purposeful lives.

Gurukula + Parents + Teachers + Community = Strong Foundation for the Child

AN IDEAL INSTITUTION

“If you can open an IDEAL INSTITUTION for the future CHILDREN of our ASSOCIATES, it will be a GREAT service.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

Srila Prabhupāda carried a deep vision for establishing ideal institutions for future generations.

Bhaktivedanta International Gurukul is a humble attempt to contribute toward that vision. We pray that this institution may become a place where children can learn with purpose, live with values, serve with humility, grow with confidence and lead with wisdom.

A LEGACY TO CARRY FORWARD

“IDEAL INSTITUTE. I am THINKING so many things, but MY life is ENDING. SO KEEP this IDEAL, especially YOUNG men. That's all.”

— His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda

These words are not merely an inspiration—they are a responsibility entrusted to future generations. Our endeavour is to preserve the ideal of Gurukula and develop it with sincerity, dedication and excellence.
